

## **Summer Reading for Students Entering the First Grade**

**Dear Parents,**

**As the school year comes to an end, the teachers and administration are grateful for the strides the students made in reading this year and want to maintain their enthusiasm and interest in literature over the summer.**

**Enclosed you will find your child's grade-level summer reading list. We are requiring that each child read three books from the provided list, either individually or with an adult. They will be required to take AR test on the books when they return to school in August. This will be included as part of their reading grade for the 1<sup>st</sup> quarter.**

**In this packet you will find the book list, and also a graphic organizer on which your child should record the books that they've read. Please add any additional books read independently. The graphic organizers should be turned in to your child's teacher on the first day of school.**

**Have a wonderful and safe summer!**
