

5th Grade Summer Reading

Dear Parents,

Attached you will find a list of books that your child is required to read throughout the summer. They can choose any three books from the list. They are to take notes while they read each book. During the first week of school, each student will take an Accelerated Reader test on the books they have read. The three test grades will be averaged together. This will count as their first reading grade for the 2011-2012 school year.

Thank you,
Richard Barnes
